

Insight Public Sector + White Pine Library Cooperative + Equalis Group Cooperative Purchasing Organization

Why Insight and Equalis Group?

At Insight Public Sector, we define, architect, implement and manage Insight Intelligent Technology Solutions™ that help your organization run smarter. Our strong supply chain optimization and workplace solutions combined with our data center transformation expertise and modernized applications keep your organization running, foster flexible work environments and put you at the forefront of innovation.

- Dedicated support and guidance from experienced IT specialists
- Strong partnerships to support your entire IT lifecycle
- Customized solutions that drive efficiency and reduce costs
- Flexible, convenient ways to manage technology through leasing

How an Insight + Equalis Group contract helps your organization

As a contract holder in the Equalis Group portfolio, Insight Public Sector is uniquely positioned to sell both technology products and IT services, including solutions from Apple, Cisco, Citrix, Commvault, Dell EMC, Hewlett Packard Enterprise, HP Inc., Microsoft, Lenovo, NetApp, Panasonic, Symantec, Veritas, VMware and more.

By taking advantage of Insight's competitively solicited contract for technology products, services and solutions available through Equalis Group, you're assured our best available price on a broad and deep IT portfolio. Leveraging a lead agency model for competitive contracts, you get the savings you expect and the efficiencies and peace of mind you deserve within the procurement process.

Benefits

- **Save time and money** with no user fees or comparison shopping.
- **Eliminate duplicated efforts** by countless agencies.
- **Leverage economies of scale** with no minimum purchase requirements.
